ECON 122 - Principles of Macroeconomics (0065)

Write your 11-digit student number.

Write and code your section.

Write and code the last 9 digits of your student number (i.e. without the "20" at the beginning.)

Do not write or code anything in this field. The lecturer will write the results of the short answer questions.

Code the answer to the multiple choice questions. (First 20 questions)
